Dear Parents,

Extended Saturday School for 6th to 8th continues this Saturday from 7:30AM to 9:00AM. We will be meeting for the next two Saturdays in order to help us prepare for our ISAT testing.

Reminder: there will be school on Monday, February 18th. President's Day is an attendance day.

Our Thorp LSC will be meeting on Wednesday, February 20th at 6:15PM in the small lunchroom. Our LSC meetings are open to all of our parents.

On February 25th, Thorp will be hosting a "Be the Match" Bone Marrow Drive – in honor of Emma Gomez c/o 2013. All adults, ages 18-44 are encouraged to be part of the drive. Please let your family members know - Thorp will be hosting the drive from 2:00PM to 6:00PM

We will be conducting another parent informational meeting for both MAP's and ISAT's on Wednesday the 27th of February at 6:00PM. We will discuss the new changes to ISAT and we will also review ways to your child meet their growth target for our Spring MAP Testing Session. Please note the 27th of February will be a half day for students.

Parents mark your calendars for Taste of Thorp – March 1st from 7 -10pm at Biagio's. Please purchase your tickets by visiting the Friends of Thorp website: <http://www.friendsofthorp.org/storage/InviteForm.pdf> I am looking forward to spending a great night with Thorp's parents and staff – I hope to see you there!

Parents of after-school students; starting next week we will dismiss our students from the East Lot Doors. This will allow you to park on Warwick as well Grace, and hopefully reduce some of our congestion during after-school dismissal.

If you haven't visited our website recently, please click on by. You can ask our teachers know if about their [classes](#); take a look at our [Campus Park Plans](#); or just let us know what you would like to see posted. The Thorp website is our primary method of communication with our families.

Thank you for your attention,

Efren Toledo
